CABERNET FRANC RESERVE

TASTING NOTES

This beautifully structured red wine exhibits fragrant aromas of berry, black pepper, dark chocolate, and hints of coffee. The palate comes to life with firm tannins, earthy minerals, and strong oak references from 26-months aging in small oak barrels.

SERVING

Cellar in a cool, dark place for prolonged quality and aging ability. Enjoy at room temperature.

FOOD PAIRINGS

The complex character of this wine pairs well with savory dishes, red meats, wild game, marinara, or hearty vegetables.
