2016 GAMAY NOIR

TASTING NOTES

Light bodied and fruity, this wine is refreshingly aromatic with distinct tart cherry, red plum, and wild strawberry flavors, with just a trace of cappuccino.

FOOD PAIRINGS

With four months of barrel aging, it is lighter than traditional red wines making a versatile wine for cheese and breads, grilled salmon, roasted duckling or wild mushroom pizza.

SERVING & CELLARING

Cellar in a cool, dark place for prolonged quality and aging ability. Enjoy at room temperature.
