

TRAVERSE BAY WINERY

Produced and Bottled by Chateau Grand Traverse

CHERRY RIESLING WINE

ABOUT TRAVERSE BAY WINERY

The unique wines produced by Traverse Bay Winery® exemplify the essence and beauty of Northern Michigan. These high-quality, all-natural fruit wines and blends were individually hand-crafted in our state-of-the-art winery to display full-fruit flavor. We try to capture a little bit of Northern Michigan in every single bottle we produce.

Winemaker:	Bernd Croissant

DESCRIPTION

This unique and flavorful wine was made from our Semidry Riesling Wine and Northern Michigan Cherry Wine. Simply put, this enchanting semidry wine displays crisp, fruity style with a delicate hint of cherry. We recommend serving this versatile wine slightly chilled as an accompaniment to picnic or barbecued fare, as well as cheese and fruit. This is a sweeter-style blush wine with crisp Riesling flavors and just a hint of fresh cherry
